

# **General Structure of an SRS**

Source: Figure 3.2, Jalote, "A Concise Introduction to Software Engineering", Ch. 3, p. 46

## **1. Introduction**

### ***1.1 Purpose***

### ***1.2 Scope***

### ***1.3 Definitions, acronyms, and abbreviations***

### ***1.4 References***

### ***1.5 Overview***

## **2. Overall Description**

### ***2.1 Product perspective***

### ***2.2 Product functions***

### ***2.3 User characteristics***

### ***2.4 General constraints***

### ***2.5 Assumptions and dependencies***

## **3. Specific Requirements**
