

CS 458 - Project Final Peer Evaluations Form - 2017-12-14

Your Name: _____

Your Team: _____

Your Teammates' Name(s): _____

Fill out the following form, regarding your teammate(s)' performance **between the second project peer evaluations and now** on the CS 458 team project. These will be kept confidential, and filling them out is required (your project participation grade will be affected if they are not filled out completely, or if they are filled out in a less-than-serious manner). **Fill out all pages!!**

1. Imagine that a fictitious monetary bonus has been awarded to your team **for the period from the 2nd project peer evaluations to now**. The amount of this bonus is **\$127**. Below, distribute this bonus to yourself and your teammates as you think would be most fair, following these rules: **all \$127 must** be distributed, and **no** fractions are allowed. (That is, you may ***not*** simply split the bonus evenly between all of the team members.) If these rules are not followed, *your* participation grade will be affected.

Yourself: _____ Suggested bonus portion: _____

Teammate 1 Name: _____ Suggested bonus portion: _____

Teammate 2 Name: _____ Suggested bonus portion: _____

Teammate 3 Name: _____ Suggested bonus portion: _____

Teammate 4 Name: _____ Suggested bonus portion: _____

2. This is a CS senior capstone course -- every team member is expected to make significant **technical** contributions to the team project along with significant general contributions to the project. (That is, every team member needs to have been part of a pair **pair-programming** something substantial within the project.)

What are **your** 2-3 most significant **technical/programming** contributions to the project (as part of a pair), overall?

For Teammate #1: _____

What are **their** 2-3 most significant **technical/programming** contributions to the project (as part of a pair), overall?

For Teammate #2: _____

What are **their** 2-3 most significant **technical/programming** contributions to the project (as part of a pair), overall?

For Teammate #3: _____

What are **their** 2-3 most significant **technical/programming** contributions to the project (as part of a pair), overall?

For Teammate #4: _____

What are **their** 2-3 most significant **technical/programming** contributions to the project (as part of a pair), overall?

3. And, each team member is expected to make signification **general contributions** to the project as well.

Yourself:

Your 2-3 most significant **general** contribution(s) to the project, overall:

Teammate 1 Name: _____

Their 2-3 most significant **general** contribution(s) to the project, overall:

Teammate 2 Name: _____

Their 2-3 most significant **general** contribution(s) to the project, overall:

Teammate 3 Name: _____

Their 2-3 most significant **general** contribution(s) to the project, overall:

Teammate 4 Name: _____

Their 2-3 most significant **general** contribution(s) to the project, overall:

4. (This portion is adapted from a team member evaluation by Terry Harvey, University of Delaware)

Your name: _____

Answer the following questions about yourself **for the period since the second project peer evaluations**. Please be honest about yourself and others. Do not exaggerate and do not minimize.

On a scale from **A** (strongly AGREE) to **E** (strongly DISAGREE):

	strongly AGREE				strongly DISAGREE
1. My work was high-quality.	A	B	C	D	E
2. I helped to foster a cooperative team environment.	A	B	C	D	E
3. I helped to foster a productive team environment.	A	B	C	D	E
4. I communicated well with the team.	A	B	C	D	E
5. I stayed on-task.	A	B	C	D	E
6. I did my share of the work.	A	B	C	D	E
7. I took my team role responsibilities seriously.	A	B	C	D	E
8. I was a positive force in our team progress.	A	B	C	D	E

Team member: _____

Answer the following questions for this team member **for the period since the second project peer evaluations**. Please be honest about yourself and others. Do not exaggerate and do not minimize.

On a scale from A (strongly AGREE) to E (strongly DISAGREE):	strongly AGREE				strongly DISAGREE
1. This team member's work was high-quality.	A	B	C	D	E
2. This team member helped to foster a cooperative team environment.	A	B	C	D	E
